Monument Academy Public Charter School

January 2013 – Present • 6 years 7 months

Washington D.C. Metro Area

Emily is founder and CEO of Monument Academy, which is a DC public charter weekday boarding school starting in 5th grade targeting youth who are involved in the foster care system. The school provides excellent academics, social and emotional well being, life skills, stability and adult connection so that students are graduated prepared for post-secondary learning, a career and independent living in the community. Monument Academy opens its doors in August 2015 with its first cohort of fifth graders and will build out a grade per year. As CEO I lead the research and design of the school, the charter application process and the subsequent launch of the school, including recruiting the Board and the Principal and the execution of a detailed implementation plan.
