The Council of the District of Columbia authorized Landlord to enter into this Lease pursuant to that certain Council Resolution 18-339, the "Taft School Disposition Approval Resolution of 2009," adopted on December 15, 2009.
- E. <u>Termination Date</u>: The last day of the Term, or any earlier date on which this Lease is terminated in accordance with the provisions hereof.
- F. <u>Completion Date</u>: Within twelve (12) full calendar months from the Date of Lease.
- Landlord and Tenant that the Rent due and payable hereunder shall be absolutely net to Landlord, so that this Lease shall yield to Landlord the Annual Base Rent described below, and that all costs, expenses and obligations of every kind and nature whatsoever relating to the Leased Premises shall be paid by Tenant (including real estate and possessory taxes assessed against the Leased Premises, water and sewer use fees, insurance premiums and utility expenses, and any and all operating, maintenance and repair costs of the Leased Premises and all improvements situated thereon). The Annual Base Rent for the Leased Premises shall be One Million One Hundred Fifty Thousand Dollars (\$1,150,000), payable in equal and consecutive monthly installments of \$95,833.22, which equates to approximately Five and 72/100 Dollars (\$5.72) per square foot of the Leased Premises, subject to adjustment and credit as hereinafter provided in this Lease.

Commencing on the Commencement Date and continuing through the last day of the 15<sup>th</sup> Lease Year ("Rent Abatement Period"), provided that Tenant is not in monetary Default or material non-monetary Default of the Lease, and except as provided below, Tenant shall be entitled to a credit against the Annual Base Rent for the full amount of Tenant's expenditures for the Improvements (excluding Tenant's Property), estimated to be Twenty-one million dollars (\$21,000,000), on a dollar-for-dollar basis against the full amount of the Annual Base Rent ("Rent Credit").

In the event that the maturity date for any bond financing obtained by Tenant in connection with the completion of the Improvements to the Leased Premises is more than fifteen (15) Lease Years after the Commencement Date, the Rent Abatement Period shall be defined as Lease Years 1 through 16 (as opposed to Lease Years 1-15).

Any failure to Complete the Improvements beyond any applicable notice and cure periods shall result in an adjustment to Tenant's Rent Credit. In such event, Tenant shall receive a Rent Credit for only that portion of the Improvements actually completed by Tenant, and the Annual Base Rent will increase to include the unsatisfied portion of the Rent Credit. The Term of the Rent Abatement Period shall decrease to the extent that the costs of the Improvements completed by Tenant are less than the Annual Base Rent that Tenant would have otherwise paid during the original Rent Abatement Period.

Notwithstanding the foregoing or anything to the contrary contained elsewhere in this Lease, Tenant shall not be entitled to a Rent Credit on any day during the Term which a monetary or material non-monetary Default by Tenant exists under the Lease.

# **CONDEMNATION**

# Section 12.01 Taking of Leased Premises.

- A. If more than twenty-five percent (25%) of the Floor Area of the Building shall be appropriated or taken under the power of condemnation, eminent domain, or conveyance shall be made in anticipation or in lieu thereof ("Taking"), either party may terminate this Lease as of the effective date of the Taking by giving notice to the other party of such election within thirty (30) days prior to the date of such Taking.
- B. If there is a Taking of a portion of the Leased Premises, Tenant shall have the right to terminate the Lease at the same time and in the manner provided in Section 12.01.A if in Tenant's reasonable judgment the portion of the Leased Premises remaining cannot be reasonably utilized for the operation of Tenant's business.
- C. If there is a Taking of a portion of the Building and this Lease shall not be terminated pursuant to Section 12.01.A, then (i) as of the effective date of the Taking, this Lease shall terminate only with respect to the portion of the Leased Premises taken by condemnation, eminent domain or conveyance in lieu thereof; (ii) after the effective date of the Taking, the Rent shall be reduced by multiplying the same by a fraction, the numerator of which shall be the Floor Area taken and the denominator of which shall be the Floor Area of the Building immediately prior to the Taking; and (iii) as soon as reasonably possible after the effective date of the Taking, Tenant, at its expense and to the extent feasible, shall restore the remaining portion of the Building to a complete unit of a similar condition as existed prior to the Taking.
- D. If there is a Taking of any portion of the Leased Premises so as to render, in Tenant's judgment, the remainder of the Leased Premises unsuitable for use as a school, Tenant shall have the right to terminate this Lease upon thirty (30) days' notice to Landlord.

# Section 12.02 Condemnation Award.

Except as otherwise provided herein, all compensation awarded for a Taking of any part of the Leased Premises shall belong to Landlord. Tenant hereby assigns to Landlord all of its right, title and interest in any such award. Tenant shall have the right to collect and pursue any separate award as may be available under local procedure for moving expenses or Tenant's Property. If the Lease is terminated as a result of any Taking of the Leased Premises, Tenant shall also be entitled to make a claim for and recover from the condemning authority the unamortized cost of the Improvements and any other Leasehold Improvements made by or on behalf of Tenant, amortized on a straight line basis over the initial Term of this Lease. If any condemnation or eminent domain proceedings shall be commenced by any competent public authority against the Leased Premises, Landlord shall promptly give Tenant and any Approved Mortgagee written notice thereof. To the extent permitted by law, this Section 12.02 shall be construed as superseding any statutory provisions now in force or hereafter enacted concerning condemnation proceedings. If such court is prohibited by law from making separate awards to Landlord and Tenant, or declines to do so, then the award in such condemnation proceedings shall be divided between Landlord and Tenant so that each receives the amount it would have received if separate awards had been made pursuant to this Section.

# Section 12.03 Rights of Approved Mortgagee.

Landlord and Tenant further agree and acknowledge that any right of Landlord in and to condemnation proceeds applicable to the leasehold estate (but not the fee simple estate in the Leased Premises or Landlord's interest under this Lease) shall be and remain subordinate and inferior to the interests in such proceeds held by any Approved Mortgagee. Under no circumstances whatsoever shall Landlord maintain that it has any right or claim of any kind or nature in and to any condemnation proceeds applicable to the leasehold estate (but not the fee simple estate in the Leased Premises and Landlord's interest under this Lease) of equal priority or superior to the interest in such proceeds held by any Approved Mortgagee. If there is an Approved Mortgagee, such Approved Mortgagee shall, to the extent permitted by law, be made a party to any condemnation proceeding, if it so desires to be made a party. Tenant's share of the proceeds arising from condemnation or eminent domain proceedings shall be disposed of as provided for by any Leasehold Mortgage.

## ARTICLE XIV.

# SUBORDINATION AND ATTORNMENT

## Section 14.01 <u>Subordination</u>.

Tenant's rights under this Lease are subordinate to: (i) all existing and future ground or underlying leases affecting all or any part of the Leased Premises as of the date of this Lease; and (ii) any easement, license, mortgage, deed of trust or other security instrument affecting the Leased Premises as of the date of this Lease (those documents referred to in (i) and (ii) above being collectively referred to as a "Mortgage" and the Person or Persons having the benefit of same being collectively referred to as a "Mortgagee"). Tenant's subordination provided in this Section 14.01 is self-operative and no further instrument of subordination shall be required. Notwithstanding the foregoing, Tenant shall, within five (5) days of request by Landlord, execute such further instruments or assurances as Landlord may reasonably deem necessary to evidence or confirm the subordination of this Lease to any Mortgage. In addition, any Mortgagee may, at its option, unilaterally subordinate its Mortgage to this Lease. Notwithstanding anything to the contrary contained herein, Landlord hereby represents that as of the date of this Lease there is no existing ground or underlying lease, mortgage or deed of trust affecting all or any part of the Leased Premises. Furthermore, Tenant agrees that the Lease shall be subordinate to any future ground lease, mortgage or deed of trust placed against the Leased Premises, and that it will attorn to the future ground lessor or mortgagee, upon termination of the ground lease or foreclosure of the mortgage or deed of trust respectively only, provided that the foregoing agreement of the Tenant to subordinate is expressly subject to such ground lessor or mortgagee agreeing to honor and abide by the terms of the Lease and give Tenant a

non-disturbance agreement providing in effect that Tenant's right to use and occupy the Premises will not be deprived as a result of such termination or foreclosure so long as Tenant shall not be in default under the Lease.

#### Section 14.02 Attornment.

Subject to the provisions of Section 14.01 above, if any Person succeeds to all or part of Landlord's interest in the Leased Premises, whether by purchase, foreclosure, deed in lieu of foreclosure, power of sale, termination of lease or otherwise (such Person herein referred to as, "Successor Landlord"), Tenant shall, without charge, attorn to such Successor Landlord and this Lease shall continue in accordance with its terms as a lease between Successor Landlord and Tenant.

#### Section 14.03 Estoppel Certificate.

Each of Landlord and Tenant, within twenty (20) days after receiving notice from, and without charge or cost to, the other, shall certify by written instrument to the other or any other Person designated by Landlord or Tenant: (i) that this Lease is in full force and effect and unmodified (or if modified, stating the modification); (ii) the dates, if any, to which each component of the Rent due under this Lease has been paid; (iii) whether Landlord or Tenant has failed to perform any covenant, term or condition under this Lease, and the nature of Landlord's or Tenant's failure, if any; and (iv) such other relevant information as Landlord or Tenant may request.

#### Section 14.04 Quiet Enjoyment.

Landlord covenants that it has full right, power and authority to enter into this Lease and that Tenant, upon performing all of Tenant's obligations under this Lease and timely paying all Rent, shall peaceably and quietly have, hold and enjoy the Leased Premises during the Term without hindrance, ejection or molestation by any Person lawfully claiming by, through or under Landlord, subject, however, to all encumbrances, easements, and matters of record to which this Lease is or may become subject.

#### ARTICLE XV.

#### ASSIGNMENT AND SUBLETTING

#### Section 15.01 Landlord's Consent Required.

Except as otherwise provided herein and in Addendum II of this Lease, Tenant and any permitted Transferee shall not voluntarily or involuntarily, by operation of law or otherwise: (i) transfer, assign, mortgage, encumber, pledge, hypothecate, or assign all or any of its interest in this Lease, or (ii) sublet or permit the Leased Premises, or any part thereof, to be used by others including licensees, or (iii) issue new stock (or partnership shares or membership interests), create additional classes of stock (or partnership shares or membership interests), or sell, assign, hypothecate or otherwise transfer the outstanding voting stock (or partnership shares or membership interests) so as to result in a change in the present control of Tenant or any permitted Transferee, provided, however, that this subparagraph (iii) shall not be applicable to Tenant if it is a publicly owned corporation whose outstanding voting stock is listed on a national securities exchange (as defined in the Securities Exchange Act of 1934, as amended) or is traded actively in the over-the-counter market, or (iv) sell, assign or otherwise transfer all or substantially all of Tenant's or any permitted Transferee's assets; without the prior consent of Landlord, in each instance, which consent Landlord may not unreasonably withhold, delay or condition. All of the foregoing transactions shall be referred to collectively or singularly as a "Transfer", and the Person to whom Tenant's interest is transferred shall be referred to as a "Transferee."

B. Any Transfer without Landlord's consent shall not be binding upon Landlord, and shall confer no rights upon any third Person. Each such unpermitted Transfer shall constitute a Default by Tenant under this Lease, subject to the provisions of Article XVI. The acceptance by Landlord of the payment of Rent following any Transfer prohibited by this Article XV shall not be deemed to be a consent by Landlord to any such Transfer, an acceptance of the Transferee as a tenant, a release of Tenant from the performance of any covenants herein

contained, or a waiver by Landlord of any remedy of Landlord under this Lease, although amounts actually received shall be credited by Landlord against Tenant's Rent obligations. Consent by Landlord to any one Transfer shall not constitute a waiver of the requirement for consent to any other Transfer. No reference in this Lease to assignees, subtenants or licensees shall be deemed to be consent by Landlord to the occupancy of the Leased Premises by any such assignee, subtenant or licensee.

- C. Landlord's consent to any Transfer shall not operate as a waiver of, or release of Tenant from, Tenant's covenants and obligations hereunder, nor shall the collection or acceptance of Rent or other performance from any Transferee have such effect, except to the extent specifically agreed to in writing by the parties. Rather, Tenant shall remain fully and primarily liable and obligated under this Lease for the entire Term in the event of any Transfer, and in the event of a Default by the Transferee, Landlord shall be free to pursue Tenant, the Transferee, or both, without prior notice or demand to either, except to the extent otherwise specifically agreed to in writing by the parties.
- D. Without limitation as to other reasonable grounds for withholding consent, the parties hereby agree that it shall be reasonable under this Lease and under Law for Landlord to deny consent to any proposed Transfer if any of the following conditions are applicable:
  - (i) Tenant is in monetary Default or material non-monetary under any terms or provisions of this Lease;
  - (ii) The inability of Transferee to continue to operate the Leased Premises for the Permitted Use;
  - (iii) Except as permitted hereunder, the Transfer is for less than the entire Leased Premises; and/or
  - (iv) Except as permitted hereunder, the Transfer mortgages, encumbers, pledges, or hypothecates all or any of Tenant's interest in this Lease.
- E. Notwithstanding the foregoing, the following conditions shall apply to any proposed Transfer:
  - (i) Each and every covenant, condition, or obligation imposed upon Tenant by this Lease and each and every right, remedy, or benefit afforded Landlord by this Lease shall not be impaired or diminished as a result of such Transfer;
  - (ii) Tenant shall assign and pay to Landlord fifty percent (50%) of any subrent payable by subtenants which are in excess of the monthly Annual Base Rent provided herein (computed on a square footage basis);
  - (iii) Tenant to which the Leased Premises were initially leased shall continue to remain liable under this Lease for the performance of all terms, including, but not limited to, payment of Rent due under this Lease, except to the extent otherwise agreed to in writing by the parties;
  - (iv) Transferee with respect to as assignment of the Lease must expressly assume in a written instrument delivered and reasonably acceptable to Landlord all the obligations of Tenant under the Lease and with respect to any sublease, the terms of the such sublease shall be subordinate to the terms and provisions of this Lease;
  - (v) Landlord shall furnish the appropriate documentation in connection with any such Transfer; and
  - (vi) At least thirty (30) days prior to the effective date of such proposed Transfer, or such shorter period of time as reasonably agreed upon by the parties, Landlord shall receive the following information in connection with such Transfer: the name of the proposed Transferee, a copy of the financial statement of the proposed Transferee and any guarantor, a copy of the proposed Transfer document or agreement and information regarding the proposed Transferee's business history and experience.

Landlord shall approve or disapprove of such proposed Transfer within thirty (30) days following receipt of Tenant's written notice of its intent to Transfer the Lease together with the required information set forth above.

Except as otherwise provided herein, in the event that Tenant desires to Transfer all or part of the Leased Premises in a transaction where Landlord's consent is required under the terms of this Article XV, Landlord shall have the right to recapture the Leased Premises or such portion thereof and terminate the Lease with respect to all or such portion of the Leased Premises by giving written notice of such termination to Tenant within thirty (30) days after receipt of Tenant's notice of its intent to Transfer, together with the required information as set forth above, is delivered to Landlord. If Landlord gives Tenant such a termination notice within such thirty (30) day period, then this Lease shall terminate effective as of the ninetieth (90th) day after Landlord's termination notice is received by Tenant. If Landlord does not exercise such right to terminate this Lease, Tenant's proposed Transferee shall nonetheless be required to meet all of the conditions set forth above. Notwithstanding the foregoing, Landlord shall not have a right to recapture the Leased Premises under this paragraph, with respect to a Transfer of the Lease to any purchaser in possession of the Leased Premises pursuant to a foreclosure or deed in lieu of foreclosure of a permitted Leasehold Mortgage.

- F. In addition, during the Term of this Lease, Tenant may sublease up to thirty percent (30%) of the rentable square footage of the Building, without Landlord's prior written consent, provided, that:
  - (i) Each subtenant shall have and maintain a minimum net worth in an amount reasonably satisfactory to Landlord;
  - (ii) Tenant shall not then be in monetary Default or material non-monetary Default under the Lease;
  - (iii) Landlord is not a party to litigation with the proposed subtenant or has been in litigation with the proposed subtenant during the last thirty-six (36) months;
  - (iv) The proposed subtenant enters into a written sublease acknowledging such sublease is subordinate to this Lease and that it will comply with all terms and conditions of this Lease for the term of the sublease;
  - (v) In Landlord's reasonable judgment, the use proposed by the subtenant is compatible (but need not be specifically related to) with the Permitted Use; and
    - (vi) Tenant agrees to remain primarily liable.

#### ARTICLE XVI.

#### **DEFAULT AND REMEDIES**

## Section 16.01 Tenant Default.

A. Each of the following events shall constitute a default ("Default") by Tenant under this Lease: (i) if Tenant fails to pay any Rent (or any installment thereof) within ten (10) days after the same shall be due and payable and such failure continues for a period of ten (10) days after written notice from Landlord (provided, however, if within any twelve (12) month period, Tenant fails to make any payment of Rent within ten (10) days after the same shall be due and payable and Landlord because of such failures shall have served upon Tenant within said twelve (12) month period two or more ten (10) day written notices of Tenant's failure to pay Rent, Tenant shall be in Default under the Lease if it fails to pay any Rent within ten (10) days after the same shall be due and payable without the necessity of demand or notice); (ii) if Tenant breaches or fails to observe or perform any term, condition or covenant of this Lease (other than those involving the payment of Rent or failure to continuously occupy and operate the Leased Premises as required or for any of the events set forth in subparagraphs (iv), (v), (vi) (vii), (viii) or (ix) below), and such breach or failure is not cured within thirty (30) days after Tenant's receipt of notice thereof, unless such condition cannot reasonably be cured within such thirty (30) days, in which case Tenant must commence such cure within said thirty (30) days and

diligently pursue said cure to its completion (provided, however, if such breach or failure creates a hazard, public nuisance or dangerous situation, said thirty (30) day grace period shall be reduced to forty-eight (48) hours after Tenant's receipt of notice); (iii) if Tenant vacates, abandons or ceases to continuously operate the Leased Premises as required; (iv) if Tenant fails to carry and maintain the insurance required by this Lease; (v) if Tenant fails to submit its plans and specifications for the Improvements to Landlord on or before the dates that such plans and specifications are due under Exhibit "B" of this Lease and such failure is not cured within fifteen (15) days after Tenant's receipt of notice thereof; (vi) if Tenant fails to commence the Improvements in the Leased Premises as required in Exhibit "B" of this Lease or once commenced, the failure to prosecute the same diligently to completion or fails to Complete the Improvements on or before the Completion Date, subject to any reasonable extensions granted pursuant to the terms of this Lease; (vii) if Tenant shall fail to observe or perform according to the provisions of Article XIV of this Lease, and such failure is not cured within five (5) business days after Tenant's receipt of notice thereof; (viii) the Leased Premises are not being used for the Permitted Use; or (ix) the original Tenant shall fail to have a valid current charter to operate a charter school in accordance with all Laws. Notwithstanding the foregoing, Landlord hereby agrees to extend the ten (10) day cure period to a period for monetary defaults to sixty (60) days if Tenant's failure to pay Rent is due to the non-receipt of its public funds from a Governmental Authority; provided, that Tenant has notified Landlord of such reason within the ten (10) day cure period provided in subparagraph (i) above.

## Section 16.02 Remedies and Damages.

- A. Upon the occurrence of any event of Default described in Section 16.01, Landlord, without any notice or demand whatsoever, shall have all the rights and remedies provided in this Section 16.02, in addition to all other rights and remedies available under this Lease or provided at law or in equity.
- B. Upon the occurrence of any event of Default described in this Section, Landlord may, upon notice to Tenant, terminate this Lease, or terminate Tenant's right to possession of the Leased Premises without terminating this Lease (as Landlord may elect). If the Lease or Tenant's right to possession under this Lease are at any time terminated under this Section, or otherwise, Tenant shall immediately surrender and deliver the Leased Premises peaceably to Landlord. If Tenant fails to do so, Landlord shall be entitled to re-enter in accordance with all Laws and shall be entitled to the benefit of all provisions of law respecting the speedy recovery of possession of the Leased Premises (whether by summary proceedings or otherwise).
- C. Upon the occurrence of any event of Default described in this Section, Landlord may also perform, on behalf and at the expense of Tenant, any obligation of Tenant under this Lease which Tenant fails to perform, the cost of which (together with an administrative fee equal to ten percent (10%) of such cost to cover Landlord's overhead in connection therewith) shall be paid by Tenant to Landlord upon demand. In performing any obligations of Tenant, Landlord shall incur no liability for any loss or damage that may accrue to Tenant, the Leased Premises or Tenant's Property by reason thereof, except if caused by Landlord's willful, wanton and malicious act. The performance by Landlord of any such obligation shall not constitute a release or waiver of any of Tenant's obligations under this Lease.
- D. Upon termination of this Lease or of Tenant's right to possession under this Lease, Landlord may at any time and from time to time relet all or any part of the Leased Premises for the account of Tenant or otherwise, at such rentals and upon such terms and conditions as Landlord shall deem appropriate. In the event that Landlord shall relet the Leased Premises, then rentals received by Landlord from such reletting shall be applied: first, to the payment of such reasonable expenses as Landlord may incur in recovering possession of the Leased Premises, including reasonable legal expenses and attorneys' fees, in placing the Leased Premises in good order and condition and in preparing or altering the same for re-rental; second, to the payment of such reasonable expenses, commissions and charges as may be incurred by or on behalf of Landlord in connection with the reletting of the Leased Premises; and third, to the fulfillment of the covenants of Tenant under the Lease, including the various covenants to pay Rent. Any reletting by Landlord shall not be construed as an election by Landlord to terminate this Lease unless notice of such intention is given by Landlord to Tenant. Notwithstanding any reletting without termination of this Lease, Landlord may at any time thereafter elect to terminate this Lease. In any event, Landlord shall not be liable for, nor shall Tenant's obligations

hereunder be diminished by reason of, any failure by Landlord to relet the Leased Premises or any failure by Landlord to collect any sums due upon such reletting.

- E. If this Lease, or Tenant's right to possession of the Leased Premises, is terminated by Landlord pursuant to the provisions of this Section, Tenant nevertheless shall remain liable to Landlord for (a) any Rent, damages or other sums which may be due or sustained prior to such termination, (b) all reasonable costs, fees and expenses (including attorneys' fees, brokerage commissions, advertising costs, and expenses incurred in placing the Leased Premises in first-class rentable condition) incurred by Landlord in pursuit of its remedies hereunder and in renting the Leased Premises to others from time to time; and (c) an amount equal to the Rent (excluding any Rent Credit) which would have become due from the date of such termination through the expiration of the Term (or what would have been the expiration of the Term but for any termination thereof), less the net avails of reletting, if any, which Landlord receives during such period from others to whom the Leased Premises may be rented, which amount shall be due and payable by Tenant to Landlord on the dates such Rent and other sums above specified are due under the Lease. Any suit or action brought to collect any such damages for any month shall not in any manner prejudice the right of Landlord to collect any damages for any subsequent month by a similar proceeding.
- F. Upon the occurrence of any event of monetary Default or material non-monetary Default which is not cured within the applicable cure period, Tenant shall lose the benefit of the Rent Credit and such Rent Credit shall become immediately null and void and Rent due and payable under this Lease shall be computed from the date of such Default as if such Rent Credit did not exist.

# Section 16.03 Landlord Default.

Default") hereunder if Landlord fails to perform or observe any of its obligations under this Lease after a period of thirty (30) calendar days from the date Landlord receives written notice thereof from Tenant setting forth in reasonable detail the nature and extent of the failure and identifying the applicable Lease provision that such obligation was required to be performed hereunder; provided, however, that Landlord shall not have committed a Landlord Default if such failure is of a type and nature that cannot reasonably be cured within such thirty (30) day period, so long as Landlord promptly commences the curing of such failure within such thirty (30) day period and thereafter diligently prosecutes to completion the curing of such failure. It is specifically understood and agreed that a Landlord Default occurs after the expiration of notice and applicable cure period.

None of Landlord's Indemnitees shall have any personal liability under this Lease or on account of any undertaking herein contained, whether expressed or implied, nor shall Landlord's Indemnitees be liable to Tenant for any consequential damages, indirect losses, loss of value, temporary loss of business, lost profits, or lost opportunity damages at or arising from the Leased Premises suffered by Tenant. Tenant hereby releases Landlord's Indemnitees from all such personal liability to the extent indicated above. Tenant hereby waives personal recourse against Landlord's officers, employees, agents or representatives or their respective assets.

# Section 16.04 Limitation on Right of Recovery Against Landlord.

No director, officer, employee, representative or agent of Landlord shall be personally liable in respect of any covenant, condition or provision of this Lease nor shall Landlord be liable to Tenant for any consequential damages, indirect losses, loss of value, temporary loss of business, lost profits, or lost opportunity damages at or arising from the Leased Premises suffered by Tenant. If Landlord breaches or defaults in any of its obligations in this Lease, Tenant shall look solely to the equity of the Landlord in the Leased Premises for satisfaction of Tenant's remedies.

# Section 16.05 Remedies Cumulative.

No reference to any specific right or remedy in this Lease shall preclude Landlord from exercising any other right, from having any other remedy, or from maintaining any action to which it may otherwise be entitled under this Lease, at law or in equity.

#### Section 16.06 Waiver.

- A. Landlord shall not be deemed to have waived any provision of this Lease, or the breach of any such provision, unless specifically waived by Landlord in a writing executed by an authorized officer of Landlord. No waiver of a breach shall be deemed to be a waiver of any subsequent breach of the same provision, or of the provision itself, or of any other provision.
- B. Tenant hereby expressly waives any and all rights of redemption and any and all rights to relief from forfeiture which would otherwise be granted or available to Tenant.
- IN ANY ACTION OR PROCEEDING ARISING HEREFROM, LANDLORD AND TENANT HEREBY CONSENT TO (I) THE JURISDICTION OF ANY COMPETENT COURT WITHIN THE DISTRICT OF COLUMBIA, (II) SERVICE OF PROCESS BY ANY MEANS AUTHORIZED BY DISTRICT OF COLUMBIA LAW, AND (III) IN THE INTEREST OF SAVING TIME AND EXPENSE, TRIAL WITHOUT A JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM BROUGHT BY EITHER OF THE PARTIES HERETO AGAINST THE OTHER OR THEIR SUCCESSORS IN RESPECT OF ANY MATTER ARISING OUT OF OR IN CONNECTION WITH THIS LEASE, THE RELATIONSHIP OF LANDLORD AND TENANT, TENANT'S USE OR OCCUPANCY OF THE LILYSED PREMISES, AND/OR ANY CLAIM FOR INJURY OR DAMAGE, OR ANY EMERGENCY OR STATUTORY IN THE EVENT LANDLORD COMMITTEES ANY SUMMARY PROCEEDINGS OR ACTION FOR NONPAYMENT COMMINIMUM RENT OR ADDITIONAL RENT, TENANT SHALL NOT INTERPOSE AND COUNTERCLAIM OF ANY NATURE OR DESCRIPTION (UNLESS SUCH COUNTERCLAIM SHALL BE MANDATORY) IN ANY SUCH PROCEEDING OR ACTION, BUT SHALL BE RELEGATED TO AN INDEPENDENT ACTION AT LAW.

#### ARTICLE XVII.

#### MISCELLANEOUS PROVISIONS

# Section 17.01 Notices.

- A. Whenever any demand, request, approval, consent or notice (singularly and collectively, "Notice") shall or may be given by one party to the other, such Notice shall be in writing and addressed to the parties at their respective addresses as set forth in Section 1.01 and served by (i) hand; (ii) a nationally recognized overnight express courier; or (iii) registered or certified mail return receipt requested. The date the Notice is received shall be the date of service of Notice. If an addressee refuses to accept delivery, however, then such Notice shall be deemed to have been served on either (i) the date hand delivery is refused, (ii) the next business day after the Notice was sent in the case of attempted delivery by overnight courier, or (iii) five (5) business days after mailing the Notice in the case of registered or certified mail. Either party may, at any time, change its Notice address by giving the other party Notice, in accordance with the above, stating the change and setting forth the new address.
- B. If any Mortgagee shall notify Tenant that it is the holder of a Mortgage affecting the Leased Premises, no Notice thereafter sent by Tenant to Landlord shall be effective unless and until a copy of the same shall also be sent to such Mortgagee, in the manner prescribed in this Section 17.01, to the address as such Mortgagee shall designate.

#### Section 17.02 Recording.

Neither this Lease nor a memorandum thereof shall be recorded without the prior written consent of Landlord which consent shall not be unreasonably withheld, conditioned or delayed.

## Section 17.03 Interest.

A. If (i) Tenant fails to make any payment under this Lease when due, (ii) Landlord performs any obligation of Tenant under this Lease, or (iii) Landlord incurs any costs or expenses as a result of Tenant's Default under this Lease, then Tenant shall pay, upon demand, Interest from the date such payment was due or from the date Landlord incurs such costs or expenses relating to the performance of any such obligation or Tenant's Default.

B. If Tenant requests Landlord to review and/or execute any documents in connection with this Lease, including any Transfer documents, any Leasehold Mortgage and Landlord's subordination of its lien interest, Tenant shall pay to Landlord, upon demand and presentation of reasonably detailed invoices, as a reasonable administrative fee for the review and/or execution thereof, all costs and expenses, including reasonable attorneys' fees (which shall include the cost of time expended by in-house counsel) incurred by Landlord and/or Landlord's agent.

# Section 17.04 <u>Legal Expenses.</u>

- A. If Landlord or Tenant institutes any suit against the other in connection with the enforcement of their respective rights under this Lease, the violation of any term of this Lease, the declaration of their rights hereunder, or the protection of Landlord's or Tenant's interests under this Lease, the non-prevailing party shall reimburse the prevailing party for its reasonable expenses incurred as a result thereof including court costs and attorneys' fees. Notwithstanding the foregoing, if Landlord files any legal action for collection of Rent or any eviction proceedings, whether summary or otherwise, for the non-payment of Rent, and Tenant pays such Rent prior to the rendering of any judgment, then Landlord shall be entitled to collect, and Tenant shall pay, all court filing fees and the reasonable fees of Landlord's attorneys.
- B. Notwithstanding the foregoing or anything to the contrary contained elsewhere in this Lease, in the event Landlord is represented by the Office of the Attorney General for the District of Columbia ("OAG"), reasonable attorneys' fees shall be calculated based on the then applicable hourly rates established in the most current *Laffey* matrix prepared by the Civil Division of the United States Attorney's Office for the District of Columbia and the number of hours employees of the OAG prepared for or participated in any such litigation. In the event the Laffey Matrix is no longer utilized by OAG, reasonable attorney's fees shall be calculated based on an equivalent amount that a private firm of comparable size to OAG in the Washington D.C. area would have charged for such representation based on the number of hours OAG staff participate in any such litigation.

# Section 17.05 Successors and Assigns.

This Lease and the covenants and conditions herein contained shall inure to the benefit of and be binding upon Landlord and Tenant, and their respective permitted successors and assigns. Upon any sale or other transfer by Landlord of its interest in the Leased Premises, to the extent agreed upon in writing between Landlord and its transferee, Landlord shall be relieved of its obligations under this Lease occurring subsequent to such sale or other transfer.

# Section 17.06 Anti Deficiency.

The obligations of the District of Columbia to fulfill financial obligations pursuant to this Lease, or any subsequent agreement entered into pursuant to this Lease or referenced herein (to which the District is a party), are and shall remain subject to the provisions of (i) the federal Anti-Deficiency Act, 31 U.S.C. §§ 1341, 1342, 1349–1351, 1511–1519 (2004) (the "Federal ADA"), and D.C. # Section 17.07 Entire Agreement; No Representations; Modification.

This Lease is intended by the parties to be a final expression of their agreement and as a complete and exclusive statement of the terms thereof. All prior negotiations, considerations and representations between the parties (oral or written) are incorporated herein. No course of prior dealings between the parties or their officers, employees, agents or affiliates shall be relevant or admissible to supplement, explain or vary any of the terms of this Lease. No representations, understandings, agreements, warranties or promises with respect to the Leased Premises or the Building of which they are a part, or with respect to past, present or future tenancies, rents, expenses, operations, or any other matter, have been made or relied upon in the making of this Lease, other than those specifically set forth herein. This Lease may only be modified, or a term thereof waived, by a writing signed by an authorized officer of Landlord and Tenant expressly setting forth said modification or waiver.

#### Section 17.08 Severability.

If any term or provision of this Lease, or the application thereof to any Person or circumstance, shall be invalid or unenforceable, the remainder of this Lease, or the application of such term or provision to Persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each term and provision of this Lease shall be valid and be enforced to the fullest extent permitted by law.

### **ADDENDUM I**

### **OPTION TO EXTEND**

Tenant shall have the option to extend the Term hereof for one (1) additional period(s) of twenty-five (25) years (each) (hereinafter "Option Period"), subject to the following terms and conditions:

- a. Tenant may exercise such option by giving Landlord written notice, via certified mail-return receipt requested, of its intent to exercise said option, such notice to be received by Landlord at least twelve (12) months prior to the expiration of the original Term.
- b. At the time of exercise, (i) Tenant is not in Default under any of its obligations under the Lease, and (ii) Tenant is operating a business in the Leased Premises in accordance with the Permitted Use.
- c. All other terms and conditions of this Lease shall remain unchanged and apply during the Option Period except that the Minimum Rent shall be determined, based upon the Fair Market Value of the Leased Premises as of the commencement of the Option Period (as determined in accordance with appraisals as required by the Landrieu Act, to be obtained by Landlord at its expense).
- d. If such option is not timely exercised, Tenant's right to renew shall expire and the Lease shall terminate at the end of the Term.

#### **ADDENDUM II**

# **LEASHOLD MORTGAGE PROVISIONS**

# A. Approved Mortgagee.

- The term "Approved Mortgagee" shall mean only the holder of a Leasehold Mortgage (as defined in Section A.2 of this Addendum II) pursuant to Permitted Financing (as defined in Section A.2 of this Addendum II) who has notified Landlord pursuant to Section C below, and which holder shall be an Institutional Lender. Notwithstanding anything to the contrary in this Lease, Tenant may mortgage its leasehold estate under this Lease under a Leasehold Mortgage with an Approved Mortgagee at any time and from time to time, upon notice to and written approval from Landlord, which approval shall not be unreasonably withheld, conditioned or delayed; provided, however, that if Landlord fails to approve or disapprove an Institutional Lender to be an Approved Mortgagee within thirty (30) calendar days from Tenant's request for such approval, such Institutional Lender shall be deemed approved by Landlord and shall be an Approved Mortgagee hereunder. Notwithstanding the foregoing or anything to the contrary contained elsewhere in this Lease, and lord hereby approves Manufacturers and Traders Trust Company, as trustee, America. Charter School Finance Corporation, Building Hope . . . a Charter School Facilities Fund and The District of Columbia acting by and through the Office of Public Charter School Financing and Support as an Approved Mortgagee. In addition, any Leasehold Mortgage or similar instrument that evidences an Approved Mortgagee's security interest in the leasehold estate shall provide for the following and shall have agreed in writing with the Landlord in recordable form that:
  - a. prior to initiating any foreclosure proceedings under any Leasehold Mortgage, the Approved Mortgagee shall first offer to Landlord in writing, the option (with no obligation upon Landlord to exercise same) for Landlord to fully satisfy Tenant's obligations under the Leasehold Mortgage, at par, to be exercised within sixty (60) calendar days of delivery of written notice to Landlord of Approved Mortgagee's intent to initiate foreclosure proceedings, which notice shall include the amount of Tenant's outstanding obligations to such Approved Mortgagee;
  - b. assuming Landlord has not exercised the option described in Section A.1.a of this Addendum II, prior to acquiring the leasehold estate of Tenant in connection with foreclosure proceedings, or any conveyance in lieu of foreclosure, and prior to any further conveyance of the leasehold estate subsequent to any such foreclosure or conveyance in lieu of foreclosure, Approved Mortgagee (or any successor or acquirer of the leasehold estate) shall offer the leasehold estate for sale to Landlord in writing on the same terms and conditions being offered by or to any third party, whereupon Landlord will have a thirty (30) day period to determine whether to exercise its option to purchase the leasehold estate on such terms and conditions (but shall be under no obligation to do so), failing which Approved Mortgagee (or other successor or acquirer of the leasehold estate at foreclosure) may, subject to Section B.3 of this Addendum II, so convey the leasehold estate to such third party on such particular terms and conditions;
  - c. that upon any default under the Leasehold Mortgage which remains uncured after the expiration of any applicable notice and cure period, such Approved Mortgagee will apply or cause to be applied any rents or other monies received from any subtenant at the Leased Premises or assignee or licensee of Tenant in excess of the monthly amount due and payable by Tenant (excluding the portion remitted to Landlord pursuant to Article XV) under such Leasehold Mortgagee to the Rent due under this Lease from and after the expiration of the applicable notice and cure period; and
  - d. it acknowledges the terms of this Lease.

- The term "Leasehold Mortgage" as used in this Lease shall mean a mortgage, deed of trust or other security instrument from an Approved Mortgagee by which Tenant's leasehold interest in the Leased Premises and the Improvements are mortgaged, conveyed, assigned or otherwise transferred to an Approved Mortgagee, to secure a debt or other obligation which (i) in the case of construction financing, is security only for indebtedness of Tenant incurred by Tenant with respect only to the development, construction and operation of the Leased Premises or (ii) secures a loan for the operation, repair and maintenance of the Leased Premises and the Improvements providing by its terms to be paid in full no later than the expiration of the Term of this Lease. Tenant's leasehold interest in the Leased Premises shall not be used as collateral for any other mortgage, deed of trust or security instrument to secure a debt or obligation of Tenant for any other property other than to secure a debt or obligation of Tenant for the Leased Premises. The holder of a Leasehold Mortgage shall be a "Leasehold Mortgagee." The term "Permitted Financing" as used in this Lease shall mean any financing obtained by Tenant from an Approved Mortgagee pursuant to Section A of this Addendum II with respect to the Leased Premises and the Improvements, pursuant to which financing the Approved Mortgagee holds a security interest constituting a lien against Tenant's leasehold estate hereunder.
- 3. Tenant shall submit to Landlord for Landlord's prior written approval any and all mortgage documents creating a security interest in the Leased Premises which may be submitted by a prospective Leasehold Mortgagee, which approval shall not be unreasonably withheld, delayed or conditioned. Landlord will not subordinate its interests in the Leased Premises to any Leasehold Mortgagee in any circumstances; provided however, that nothing in this Section A.3 of this Addendum II shall be interpreted to give any mortgage or other security instrument entered into by the Landlord priority over any Approved Mortgagee's secured interest in the Tenant's leasehold estate.

# B. Leasehold Mortgage Authorized.

- 1. Subject to the foregoing and the other provisions of this Addendum II, Tenant may mortgage, pledge, hypothecate or encumber (collectively "Mortgage") this Lease and enter into a Leasehold Mortgage upon a sale and assignment of the leasehold estate permitted by this Lease or may mortgage or otherwise encumber Tenant's leasehold estate for the benefit of an Approved Mortgagee, under one or more Leasehold Mortgages and assign this Lease as security for such Leasehold Mortgage or Leasehold Mortgages.
- 2. Any such Leasehold Mortgage shall be expressly subordinate to Landlord's interest in this Lease and the Leased Premises, and that anyone claiming by or through Tenant shall be so subordinate and shall have no recourse against Landlord. Because Tenant will hold no interest in the fee, Tenant shall not have the right to encumber the fee interest of Landlord in the Leased Premises or the reversion of Landlord or rentals due Landlord, and as such Approved Mortgagee shall not acquire any greater interest in the Leased Premises than Tenant has under this Lease.
- 3. The transfer or assignment of the leasehold estate of Tenant under this Lease pursuant to any foreclosure (judicial or otherwise) by any Approved Mortgagee or any deed or assignment in lieu of foreclosure or the disposition of the leasehold estate by the holder of such Leasehold Mortgage shall only be to an entity that shall operate the Leased Premises for the Permitted Uses.

#### C. Notice to Landlord.

- 1. If Tenant shall, on one or more occasions, mortgage Tenant's leasehold estate to an Approved Mortgagee, and if the holder of such Leasehold Mortgage shall provide Landlord with notice of such Leasehold Mortgage together with a true copy of such Leasehold Mortgage, and the name and address of the Leasehold Mortgagee, Landlord and Tenant agree that, following receipt of such notice by Landlord, the provisions of this Addendum II shall apply with respect to each such Leasehold Mortgage.
- 2. Landlord shall promptly, upon receipt of a communication purporting to constitute the notice provided for by Section C.1 of this Addendum II, acknowledge by an instrument in recordable form receipt of such communication as constituting the notice provided for by Section C.1 of this Addendum or, in the alternative, notify the Tenant and the Approved

Mortgagee of the rejection of such communication as not conforming with the provisions of Section C.1 of this Addendum II, and specify the specific basis of such rejection; provided, however, that the failure of the Landlord to acknowledge such notice shall not be a condition to the effectiveness of such notice provided that the notice is given in accordance with the terms of this Lease.

- 3. After Landlord has received the notice provided for by Section C.1 of this Addendum II, the Tenant, upon being requested to do so by Landlord, shall, with reasonable promptness, provide Landlord with copies of the note or other obligation secured by such Approved Mortgagee and of any other documents pertinent to the Leasehold Mortgage as specified by the Landlord not previously provided. If requested to do so by Landlord, the Tenant shall, thereafter, also provide the Landlord, from time to time, with a copy of each amendment or other modification or supplement to such instruments. From time to time, upon being requested to do so by Landlord, Tenant shall also notify Landlord of the date and place of recording and other pertinent recording data with respect to such instruments as have been recorded.
- 4. In the event of any assignment of a Leasehold Mortgage by an Approved Mortgagee, or in the event of a change of address of an Approved Mortgagee, or of an assignee of such Leasehold Mortgage, notice of the new name and address shall be promptly provided to Landlord pursuant to this Lease.

# D. <u>Consent of Approved Mortgagee</u>.

1. No termination, amendment, modification, cancellation or other surrender of this Lease shall be effective as to any Approved Mortgagee unless consented to in writing by such Approved Mortgagee. The foregoing shall not prevent the termination of the Lease in accordance with its terms; provided, however, that termination shall be subject to the rights of any Approved Mortgagee under this Addendum II.

#### E Approved Mortgagee's Opportunity to Cure.

default under this Lease, or (b) an intended termination of this Lease, or (c) a matter on which Landlord may predicate or claim a default, shall, at the same time, provide a copy of such notice to every Approved Mortgagee. From and after the date on which such notice has been given to an Approved Mortgagee, such Approved Mortgagee shall have the same period, after the giving of such notice upon it, for remedying any default or acts or omissions which are the subject matter of such notice or causing the same to be remedied, as is given Tenant after the giving of such notice to Tenant, plus in each instance, the additional periods of time specified in Sections F and G of this Addendum II to remedy, commence remedying or cause to be remedied the defaults or acts or omissions which are the subject matter of such notice at the instigation of such Approved Mortgagee as if the same had been done by Tenant. Landlord and Tenant do hereby authorize entry upon the Leased Premises by the Approved Mortgagee for such purpose.

## F. Termination Notice to Approved Mortgagee.

- 1. Anything contained in this Lease to the contrary notwithstanding, if any Event of Default shall occur which entitles Landlord to terminate this Lease, Landlord shall not effectuate the termination of the Lease unless, following the expiration of Tenant's cure period for such Event of Default, Landlord has delivered a copy of the Notice to Terminate to any Approved Mortgagee at least thirty (30) calendar days in advance of the proposed effective date of such termination. The provisions of Section G.1 of this Addendum II shall apply if, during such 30-day termination notice period, any Approved Mortgagee shall:
  - a. Notify Landlord of such Approved Mortgagee's desire to cure the Tenant's defect; and
  - b. Pay or cause to be paid all Rent, insurance premiums and other monetary obligations of Tenant then due in arrears as set forth in the Notice to Terminate to such Approved Mortgagee and/or which may become due during such 30 day period; and

- c. Comply or in good faith and with reasonable diligence and continuity, commence to comply with all nonmonetary requirements of this Lease then in default and which are reasonably susceptible of being complied with by such Approved Mortgagee; provided, however, that such Approved Mortgagee shall not be required at anytime to cure or commence to cure any default consisting of Tenant's failure to satisfy and discharge any lien, charge or encumbrance against the Tenant's interest in this Lease or the Leased Premises junior in priority to the lien of the mortgage held by such Leasehold Mortgage.
- 2. Any notice to be given by Landlord to an Approved Mortgagee pursuant to any provision of this Addendum II shall be deemed properly addressed if sent to the Approved Mortgagee who served the notice referred to in Section C.1 of this Addendum II unless notice of a change of Leasehold Mortgagee has been given to Landlord pursuant to Section C.4 of this Addendum II.

# G. Procedure on Default.

- 1. If Landlord shall elect to terminate this Lease by reason of an Event of Default, the termination date for the Lease in the Notice to Terminate with respect to an Approved Mortgagee shall be extended for ten (10) calendar days from and after the proposed effective date of such termination set forth in Section F.1 of this Addendum II with respect to any default that is capable of being cured with the payment of money, and for twelve (12) months from and after the proposed effective date of such termination set forth in Section F.1 of this Addendum II for all other defaults, provided that such Approved Mortgagee shall, during such ten (10) day or, twelve (12) month period, as applicable:
  - a. pay or cause to be paid, the Rent, insurance premiums and other monetary obligations of Tenant under this Lease as the same become due, and continue its good faith efforts to perform all of Tenant's other obligations under this Lease, excepting (A) obligations of Tenant to satisfy or otherwise discharge any lien, charge or encumbrance against Tenant's interest in this Lease or the Leased Premises junior in priority to the lien of the Leasehold Mortgage held by such Approved Mortgagee and (B) past nonmonetary obligations then in default and not reasonably susceptible of being cured by the payment of money by such Approved Mortgagee;
  - b. if not enjoined or stayed, take steps to acquire or sell Tenant's interest in this Lease by foreclosure of the Leasehold Mortgage or other appropriate means and prosecute the same to completion with due diligence provided that Landlord has not previously exercised its right to satisfy the obligations under the Leasehold Mortgage or purchase the leasehold estate prior to such foreclosure proceedings, as set forth in Section A.1 of this Addendum II. Notwithstanding the foregoing, an Approved Mortgagee shall not be required to comply with the terms of this paragraph (b) if the Event(s) of Default are solely monetary and the Approved Mortgagee has cured such monetary default; and
  - c. comply or in good faith, with reasonable diligence and continuity, commence to comply and thereafter continue to comply with all nonmonetary requirements of this Lease then in default, and reasonably susceptible of being complied with by such Approved Mortgagee.
- 2. If at the end of such ten (10) day or twelve (12) month period, as applicable set forth in Section G.1 of this Addendum II the Approved Mortgagee is not compliance with Section G.1 of this Addendum II, the Landlord may terminate this Lease.
- 3. If the Approved Mortgagee is in compliance with Section G.1 of this Addendum II, and Approved Mortgagee is enjoined or stayed by a court of competent

jurisdiction from foreclosing or exercising any remedies under the Leasehold Mortgage, this Lease shall not then terminate and the time for completion of such Approved Mortgagee of its proceedings shall continue so long as such Approved Mortgagee is enjoined or stayed by a court of competent jurisdiction, and shall not terminate thereafter provided that within the twelve (12) month period commencing on the day the stay is lifted, Approved Mortgagee either reinstates the Tenant under the Leasehold Mortgage, executes a workout agreement with the Tenant, or proceeds to take steps to acquire or sell Tenant's interest in this Lease by foreclosure of the Leasehold Mortgage or by other appropriate means with reasonable diligence and continuity. Nothing in this Section G of Addendum II, however, shall be construed to extend this Lease beyond the Term thereof, or to require an Approved Mortgagee to continue such foreclosure or such other proceedings after the Event of Default has been cured. If all defaults or Events of Default shall be cured during any such extended period set forth in this Section G of Addendum II and the Approved Mortgagee shall discontinue such foreclosure proceedings or other proceedings, this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease.

- If an Approved Mortgagee is in compliance with Section G.1 of Addendum II, upon the acquisition of the leasehold estate herein by such Approved Mortgagee or its designee, or any other purchaser at a foreclosure sale, or otherwise and upon the discharge of any lien, charge or encumbrance against the Tenant's interest in this Lease or the Leased Premises which is junior in priority to the lien of the Leasehold Mortgage held by such Approved Mortgagee, if so required by Law, this Lease shall continue in full force and effect as if Tenant had not defaulted under this Lease, provided however, that as a condition precedent to such continuation of this Lease, (a) such Approved Mortgagee or its designee, or any other purchaser or assignee at a foreclosure sale or deed in lieu of foreclosure shall cure any existing Event of Default in accordance with the provisions of Section G.1 of Addendum II upon the acquisition of the leasehold estate and use the Leased Premises only for Permitted Uses; and (b) to the extent that upon any acquisition of the leasehold estate at a foreclosure sale, or conveyance in lieu thereof, there are excess proceeds between the purchase price of the leasehold estate and the outstanding balance of the Leasehold Mortgage and outstanding obligations that must be satisfied and have priority under Laws, to the extent permitted by Laws, the excess proceeds in an amount up to six months of the then current Rent for the applicable Lease Year shall be deposited with the Landlord for five (5) years from the date of the deposit. In the event that Law requires that the security deposit be deposited with a court of competent jurisdiction and such security deposit is so deposited by the Approved Mortgagee or Person conducting the foreclosure sale, or conveyance in lieu thereof, then Landlord shall apply to the court for disbursement. Such funds shall be held and distributed as follows: (i) to the extent Landlord shall suffer any costs or damages during the balance of the Term, then upon application by Landlord, such funds shall be disbursed to Landlord to defray such costs or damages related to any act or omission of the then current Tenant, tenant in possession at the time of the foreclosure sale, or conveyance in lieu thereof, or the Approved Mortgagee or (ii) beginning on the first annual anniversary of the date of the deposit through the fifth annual anniversary of the date of the deposit, if no such costs or damages have been incurred, the tenant in possession at the time of foreclosure, or conveyance in lieu thereof shall be entitled to a release of the deposit in an amount equal to twenty (20%) of the then remaining total deposit. The tenant in possession at the time of foreclosure, or conveyance in lieu thereof shall request such amounts within thirty (30) calendar days of the annual anniversary of the date of the deposit. At the expiration of the fifth year following the date of the deposit, the total amount of the outstanding deposit held by Landlord shall be released to the tenant in possession at the time of the foreclosure sale, or conveyance in lieu thereof.
- 5. For the purposes of this Addendum II, any Approved Mortgagee, as such, shall not be deemed to be an assignee or transferee of this Lease or of the leasehold estate hereby created so as to require such Approved Mortgagee, as such, to assume the performance of any of the terms, covenants or conditions on the part of the Tenant to be performed hereunder. However, in the event of any sale of this Lease, and of the leasehold estate hereby created in any proceedings for the foreclosure of any Leasehold Mortgage, or any assignment or transfer of this Lease and of the leasehold estate hereby created under any instrument of assignment or transfer in lieu of the foreclosure of any

Leasehold Mortgage, any assignee or transferee under this Addendum II, shall be deemed to have agreed to perform all of the terms, covenants and conditions on the part of the Tenant to be performed hereunder from and after the date of such purchase and assignment, but only for so long as such purchaser or assignee is the Tenant of the leasehold estate.

6. Any Leasehold Mortgagee or other entity in possession of Tenant's interest under the Leasehold Mortgage pursuant to foreclosure, assignment in lieu of foreclosure or other proceedings may, without the consent of Landlord, sell, transfer or assign its Leasehold Mortgage to an Institutional Lender on such terms and conditions as determined in its sole and absolute discretion.

# H. No Merger.

1. So long as any Leasehold Mortgage is in existence, unless all Approved Mortgagees shall otherwise expressly consent in writing, the fee title to the Leased Premises and the leasehold estate of Tenant therein created by this Lease shall not merge, but shall remain separate and distinct, notwithstanding the acquisition of said fee title and said leasehold estate by Landlord or by Tenant, or by a third party, by purchase or otherwise.

# I. Requests for Lease Modification.

1. In connection with Tenant obtaining or renewing a Leasehold Mortgage, if the Leasehold Mortgagee shall request modifications of this Lease as a condition of such Leasehold Mortgage (or any amendment, extension or modification thereof), Landlord shall agree to review and consider such modifications.
