

SY2020-21 DCPS Technology Survey

DC Public Schools is committed to ensuring a strong reopening to school year 2020-21. As we plan for the start of school, we are asking all families to submit this brief technology survey to help inform our preparation.

This survey should take less than 5 minutes to complete. The survey is voluntary, but your feedback through this survey will help DCPS evaluate device needs for all incoming students and develop a plan that meets the needs of our community.

Important: Please submit a separate form for each of your DCPS students.
